

**GLACIER COUNTY COMMISSIONERS
ADVERTISED TEST – ELECTION COUNTING MACHINE
Friday, June 4, 2010**

Friday, June 4, 2010, an advertised test for the election county machine was held in the Glacier County Commissioners Chambers. Those in attendance were Glenda Hall, Sandi McAlpine, Charles Farmer, Micah Hall, Diane Proefrock, and Commissioner Tony Sitzmann.

2:00 p.m. Advertised Test for Election Counting Machine

Seal #0033145 on the front of the counting machine was broken.

Seal #0033188, from the back of the counting machine was broken.

Seal#23327 was removed from the door where the chip was sealed and removed from the 2008 Election.

Seal #37845 was removed in order to install the new chip.

Glacier County was provided with a Test Deck of sample ballots whose totals have been set to zero.

A printout was compared to the test deck. All the information matched accordingly, was in proper order and all verified.

Seals #0033316 and #0033301 were replaced onto the counting machine after the testing was completed. All is in order for the Primary Election to be held on Tuesday, June 8, 2010.

3:15 p.m. Advertised Test for Election Counting Machine was completed.

BOARD OF GLACIER COUNTY COMMISSIONERS

Michael J. DesRosier, Chairman
