Based on the Health Emergency Declaration, and recommendations from the Incident Commander, the Glacier County Board of County Commissioners are taking the following actions in response to the Coronavirus (COVID-19) pandemic.

- Glacier County Board of Commissioners Declared a Health Emergency, thus enacting the Emergency Operations Plan with DPHHS as lead. Health Director Carol McDivitt appointed the Incident Commander, DES Coordinator Lanaina Upham Deputy Commander.
- Commissioner meetings will be held via telephone. Citizens will be allowed to participate via telephone by calling (406) 873-3600 ext. 1000 at the beginning of the meeting.
- Citizens that wish to comment on the agenda item can do the following
  - To ensure the public has the ability to provide comment on any item without attending the meeting, the public is asked to email their comment(s) to [info@glaciercountymt.org](mailto:info@glaciercountymt.org) by 5:00 PM of the date before the scheduled meeting. In the subject line of the email, please include the agenda item or item number. Commissioners will respond to the comments in the public comment portion of the meeting. For more information, please contact the Glacier County Clerk and Recorder at 406-873-3609.
- IT has been directed to develop a format to live feed the meeting via internet. The format will include a public comment section that can be addressed during the live meeting. Glacier County will notify citizens once this process has been established.
- IT will be updating the website for informational documents and will be activating a social media account to update citizens continuously.

In the interim, we suggest everyone follow Glacier County Health Department, Glacier County Sheriff or Glacier County EMS via Facebook.
