D. Discussion/Approval: Sale of unusable equipment (less than \$2500.00)-Michael Kittson, Glacier County Human Resource Director

Mike Kittson was unable to attend Commissioner McKay called him on the phone. Mike Kittson explained to the Commissioners that they were approached by a gentleman from over West who is interested in purchasing a stretcher, which was involved in an accident so it is unusable and has been in storage for 3 ½ years. Commissioner McKay asked if he discussed it with the new person at EMS? Mike Kittson stated no, because it is not usable and was voided in the warranty and is deemed unusable.

Both Commissioner McKay and Commissioner Overcast ensured with Mike Kittson that the piece of equipment was unusable. M. Kittson ensured them that it will never be used and that he will get a release of liability for whomever buys the stretcher that way the County is free of liability. M. Kittson also stated that the gentleman would be using this equipment in a training facility and will be training on how to use it. The purchaser will need to install new battery packs and do the repairs needed. It is really more money than it is worth. M. Kittson also stated that the money will go into the EMS Account for any unexpected expenditures.
