**NEW BUSINESS:**

**D. Discussion/Approval: N8v Grown Request for License Renewal – Glacier County Commissioners**

Commissioner Bremner asks Benjamin Chodar who is in attendance representing N8V Grown to explain what he will need from Glacier County. He explains that since the Montana Department of Revenue took over the regulations for medical and recreational cannabis, they have a new renewal process. He explains that part of the renewal process is city and local ordinance approval for your zone and since we are out of city limits, it then falls to the county. Due to the county not having a specific regulatory body for cannabis dispensaries the next step was to go straight to the governing body of Glacier County to get a license renewal. There is a discussion. Commissioner Bremner states that Terryl Matt, Glacier County Attorney reviewed the license renewal and that the commissioners have agreed to sign off on the renewal.
