Michael Kittson, Glacier County Human Resource Director is present to give an update on the Glacier Care Center and finding a replacement lease. He states that he pitched the idea to Logan Health, but they weren't interested in taking the care center over. They did talk with Casscadia who operated in Washington State and they have offered to guide & help Glacier Care Center in finding a replacement. We have also had talks with Foundation, Inc. who is also out of Washing State and may be an interested party. So, at the present moment we have two large candidates looking at taking over the lease. The county is working on getting the siding & the roof repaired, but will need to start this in the Spring of 2023. No decisions were made.
