D. Discussion/Approval: Task Order Number 24-07-4-21-118-0 Environmental Health and Food Safety Licensing – Ron Andersen, Glacier County Sanitarian/Glacier County Commissioners

Ron Andersen, Glacier County Sanitarian is present to explain the new requirement from the State of Montana for the Environmental Health and Food Safety Licensing and to get the approval from the commissioners for the Task Order. He states to simplify – this is not new – for the last 10-12 years we’ve done it with the State as a cooperative agreement. Now the state is wanting the commissioners to sign it as a contract and treating it like a grant which is not ok with me. He also states that the scope of work of the services to be provided is not properly typed up and will need to be corrected. He explains the MCA and that it should not be treated like a grant and not set to a specific amount as they amounts can vary from year to year. There is a long discussion on the task order with the decision to approve it.
